Cell phone ministry

In addition to the unit ministries, five years ago we initiated the free cell phone ministry. We distribute a free cell phone with 500 free talk & text minutes per month to every releasing prisoner who qualifies. It has proven to be such a wonderful blessing as they search for jobs, food, clothes, etc.

Dear Ministry Partner:

Thank you for your prayers and support.

We attempt to focus some of the gigantic energy of the Church onto the criminal justice system. Our efforts are making a difference in many lives. It is amazing that a third of the unchurched people can be reached through these justice ministries. See the projected statistics for 2015. Many new volunteers and ministries that aren't included in the statistics are recruited and mentored as well.

Our network is now 21 years old. In the last few years much of the funding has come through grants from private foundations. With our declining economy many foundations are running dry and we received word that we need to look elsewhere for 2016. Of course, we look to Texas churches to continue to help us, perhaps at even a greater level. What we do is, indeed, the work of the Church.

Can you be a Champion for us?

We Need Your Help

We are in need of churches to include us in their Missions Budget. That is not likely to happen without a person of that congregation being a "Champion" for us. If possible, please, become that Champion for us in your church. This is Kingdom Ministry. We need support

from churches which are interested in ministering to the hurting and disenfranchised. We minister to such people every day as part of Christ's Church.

This is a high energy, low cost ministry. RJMN has a small staff that is loyal and dedicated. We hope that you will be able to look favorably upon this ministry as your church prepares its budget for next year. We also need you to support this ministry with your prayers and financial contributions. Be assured that your contributions will indeed make a difference to some hurting person in your community.

Here is an email excerpt from Ron Brigmon, Austin, TX, which summarizes our compassionate ministry.

"I came to Central Texas as an Area Director for Prison Fellowship in 1992. I met Emmett Solomon shortly afterwards. It didn't take long to determine that he was one of the leading authorities on the subject of Criminal Justice and all of its entities. RJMN was founded in 1994 and the vision and mission were clear:

- ..Minister to inmates
- ..Minister to their families
- ..Minister to victims
- ..Minister to correctional staff
- ..To have an impact on the legislature to reduce the prison population by offering better alternatives for non-violent offenders
- ..To be a networking resource for churches, ministries, and volunteers

Emmett Solomon, Bill Kleiber, and RJMN have impacted many lives for the Kingdom of God. The cycle of crime and generational curses have been greatly reduced by their efforts."
